

Template for Formulating a Presentation Proposal

By Mila Dintimille

1. *"The problem I intend to solve"*
2. How we viewed this in the past
3. *"Following my analysis, this is why I would approach solving the problem differently."*
4. *"I will work with teams to..."* - my plan; how I intent to solve the problem
5. *"I would recommend..."* - my requirements for this being successful and approachable
6. Benefits/wins/how this positions the company
